Little Big Town revealed on Facebook Live that "Better Man" was written by none other than Taylor Swift. "[Taylor] sent us this song and it was one that was very special to her," LBT lead Karen Fairchild stated. Swifties are speculating that this song is probably from around 2010, which means that she could have potentially wrote "Better Man" for her 2012 album Red.

Our goal at The Building a Better Man Project – an admittedly ambitious one – is to reduce violence in our culture. Our distinctive take on this issue involves an examination of how young men (who are responsible for the vast majority of violence) are socialized in that direction from boyhood onward, regardless of skin color or background, and that the key to prevention lies in changing ...

A man is a male human. The term man is usually reserved for an adult male, with the term boy being the usual term for a male child or adolescent. However, the term man is also sometimes used to identify a male human, regardless of age, as in phrases such as "men's basketball".. Like most other male mammals, a man's genome typically inherits an X chromosome from his mother and a Y chromosome ...

Men are better than women at math and science. This is a comment likely to rile the feathers of some of my more feminist readers, and yet I could easily support such a statement with evidence showing that men get higher SAT scores in math than women or how science and technology careers are predominantly male disciplines. In spite of this evidence, I wouldn't be the first to get into trouble ...
