**Abbott And Costello Math Skit**

Famous comedic duo Abbott and Costello have a routine in which Costello performs clearly incorrect math, but somehow continues to arrive at the same answer. Abbott is baffled to see how Costello's outrageous claim proves to be true time and time again. Before going any further take a look at their skits, the first showing...

**The Abbott and Costello Math Method | All the Calculations**

The skit is rather simple in its premise, but it is the absurdity of it coupled with the comedic genius of both Bud Abbott and Lou Costello that makes it so legendary. However, the legendary comedy duo's vast library of brilliance does not end with a befuddled Lou desperately attempting to learn the names of the St. Louis Wolves ballclub ...
