Live Butterfly Growing Kit - butterfly kit live butterfly ...

Here's our little preschool group when we made our caterpillars last week! It was definitely a preschool success. The kids did a great job counting, they loved choosing which color would go next while they put their caterpillars together, and, really any activity with glue is an instant win with these kids.

the red kitchen: Pom Pom Caterpillars (free printable ...

If you are short on time or if the season is wrong for caterpillar hunting, there are several companies that supply caterpillars. Painted Lady caterpillars are particularly easy to keep because you can buy a growth medium for them, which will eliminate the need to find fresh host plant leaves for them every day.

The silkworm is the larva or caterpillar of the domestic silkworm, *Bombyx mori* (Latin: "silkworm of the mulberry tree"). It is an economically important insect, being a primary producer of silk. A silkworm's preferred food is white mulberry leaves, though they may eat other mulberry species and even osage orange. Domestic silkworms are closely dependent on humans for reproduction, as a result of ...
