A literature circle is equivalent of an adult book club, but with greater structure, expectation and rigor. The aim is to encourage thoughtful discussion and a love of reading in young people. The true intent of literature circles is "to allow students to practice and develop the skills and strategies of good readers" (DaLie, 2001).

Why a Scientific Format? The scientific format may seem confusing for the beginning science writer due to its rigid structure which is so different from writing in the humanities. One reason for using this format is that it is a means of efficiently communicating scientific findings to the broad community of scientists in a uniform manner.
