DK Reader Level 2 Pokemon: Watch Out for Team Galactic ...

Bought this (along w/ 2 other Pokemon books like this) for my 6yr old Granddaughter (a Pikachu fan) last Christmas & was so happy when she was able to read the book to me about 3 months later w/ hardly any help. This is a great book for kids that love Pokemon & are beginning readers. Was very happy w/ the size, look & content of the book.
