

Large Spaces In Small Places A Survey Of Western Landscape

Large Spaces In Small Places

The Great Recession has forced millions of Americans to go on a spending diet. Many have lost their homes and have scaled back. But not for everyone. Let's take a closer look at rightsizing with Matthew Hofman of Hofman Architecture. For Matthew Hofmann, living with less in a smaller space is his choice. He prefers it, and it's not hard to see why.

Claustrophobia is a type of situational phobia (fear of certain situations) where an individual experiences great fear of small or enclosed spaces. A person suffering from Claustrophobia might be afraid of going in elevators. Many claustrophobic individuals are also known to fear being inside tunnels, caves, mines, or airplanes. They typically report seeing images of being [...]
