United States foreign policy in the Middle East has its roots as early as the Barbary Wars in the first years of the U.S.'s existence, but became much more expansive after World War II. American policy during the Cold War tried to prevent Soviet Union influence by supporting anti-communist regimes and backing Israel against Soviet-sponsored Arab countries.

United States foreign policy in the Middle East - Wikipedia

Peace is not possible in the Middle East because values and goals other than peace are more important to Middle Easterners. Most important to Middle Easterners are loyalty to kin, clan, and cult ...

Why There Is No Peace in the Middle East - Gatestone Institute

We all know what gold is, but what are frankincense and myrrh? Both frankincense and myrrh start as a resinous sap inside a special family of trees that grow almost exclusively in the southern end of the Arabian Peninsula. At certain times of year the trees are cut with special knives, and the sap ...
