A novelist is an author or writer of novels, though often novelists also write in other genres of both fiction and non-fiction. Some novelists are professional novelists, thus make a living writing novels and other fiction, while others aspire to support themselves in this way or write as an avocation. Most novelists struggle to get their debut novel published, but once published they often ...

Yes, I agree with you regarding the mysogyny- and I think many other women do as well, given the evidence on Amazon and Twitter. As far as the novel is concerned I feel that it's a case of the Emperor's new clothes - perhaps readers feel cowed, thinking that they have to agree with the critics; however, as you say, when one reads the true greats - Henry James, George Eliot, Muriel ...
