The Bennet family are a fictional family of dwindling Hertfordshire landed gentry, created by English novelist Jane Austen. The family plays a central role in the novel Pride and Prejudice, as it is the protagonist, Elizabeth's family. The complex relationships between its various members influence the evolution of the plot. The family belong to a society where marriage is the only possible ...

The message is simple: If you want to be my disciple then you'd better count the costs. It's an "all or nothing" proposition. If you're not ready to jump in with both feet, and stay with the journey until the very end, then perhaps its best to stay behind rather than suffer the embarrassment of starting out on the journey and having to turn back before you get to the end.
