Released in 2004, Rome: Total War is set in the Roman Republic. This was the first game to encompass what would become one of the most fundamental additions to the Total War series, the inclusion of free map movement as opposed to earlier versions where all movement was province based. The first expansion pack, Barbarian Invasion, was released on 27 September 2005.

By the end of the 15th century, the Ottoman Empire was in extent much like Romania of the Macedonian Emperors had been in the mid-11th century, with, of course, now the same capital, Constantinople.. Much that seems characteristic of Islam today, like the domed mosque and perhaps even the symbol of the Crescent, are due to Byzantine influence by way of the Ottomans.

Trajan was most conspicuous for his justice, for his bravery, and for the simplicity of his habits. He was strong in body, being in his forty-second year when he began to rule, so that in every enterprise he toiled almost as much as the others; and his mental powers were at their highest, so that he had neither the recklessness of youth nor the sluggishness of old age.
