Salads A Collection Of Over

A salad is a dish consisting of a mixture of small pieces of food, usually vegetables. However, different varieties of salad may contain virtually any type of ready-to-eat food. Salads are typically served at room temperature or chilled, with notable exceptions such as south German potato salad which is served warm. . Garden salads use a base of leafy greens such as lettuce, arugula/rocket ...

SALADS!!!! ...and that's all I have to say. Kidding! Lately I have been obsessing over salads. I don't know if it's because everyone goes all healthy-like for January, or if it's because I have been working on the breakfast chapter of my cookbook (gah! Excited to say that freely), and big ol' salads make me feel healthier when I am eating pancakes and maple syrup all day long.
