

The History Of The English Language

The History Of The English

Throughout history, it has repeatedly found itself in the right place at the right time: English-speaking Britain was the leading colonial nation in the 17th and 18th Century, as well as the leader of the Industrial Revolution in the 18th and 19th Century; in the late 19th and 20th Century, English-speaking America was the leading economic power, and was also at the forefront of the electronic and digital revolution of the late 20th Century.

The History of English - How the English language went ...

These disruptions permitted a younger generation who only spoke English to fill those positions. As a result, English replaced French in the grammar schools of England, and the stage was set for a revival of English learning and literature over the following decades.
