Triangle: Triangle, percussion instrument consisting of a steel rod bent into a triangle with one corner left open. It is suspended by a gut or nylon loop and struck with a steel rod. It is theoretically an instrument of indefinite pitch, for its fundamental pitch is obscured by its nonharmonic overtones.

Alexander Hamilton was quite probably the most robust of the founding fathers. He continually wrote his way out of tricky situations and in many instances saved his own life with his writing. With such a penchant for using words to their fullest, it makes sense that Hamilton the Musical would have ample quotable moments. In true Hamilton style, the score for this musical includes a whopping ...
