History. First recorded in the United States in 1964, Acapulco Gold was defined by the Oxford English Dictionary the following year as "a special grade of cannabis growing in the vicinity of Acapulco...with a color of brownish gold, or a mixture of gold and green." Traditionally cultivated in the Guerrero Mountains outside the city, it is a landrace strain described as having "mind-blowing ...

Earlier this month, we got the first real look at the remake of the Rocky Horror Picture Show, and it got some mixed reactions. While some loved seeing Laverne Cox as Dr Frank-N-Furter (and knowing that the original star, Tim Curry, would be back as the criminologist!), others felt that the remake is unnecessary. After all, if it ain't broke, don't fix it!
