Nick Spencer is a hilarious guy and his writing, joined forces with the bold and expressive artwork of Steve Lieber, really makes Superior Foes of Spider-Man sparkle. This is the third and final volume of the 17-issue series (including 2 issues in the middle by different creators that are not crucial to the main story).

Overall Superior Foes Of Spider-Man's first issue was a lot of fun to read, which is something I dig about certain comics. The story is on point and the art is great. Fans of Spider-man will definitely enjoy this book, especially since the way it is written feels so familiar, but from the villain's point of view instead.
