Troll as gay slang is amongst the lexicon of the cant Polari used in the gay subculture in Britain which has become more mainstream with transcontinental travel and online communication. There is still debate about how Polari originated but its origins can be traced back to at least the 19th century. The term troll probably became equated with cruising because a troll is a "creature of ...

The people who relish this online freedom are called trolls, a term that originally came from a fishing method online thieves use to find victims. It quickly morphed to refer to the monsters who hide in darkness and threaten people. Internet trolls have a manifesto of sorts, which states they are doing it for the "lulz," or laughs.
